

# Product datasheet

Specifications

Relay, C-Bus, DIN Rail Mounted,  
Voltage Free, 240V AC, 8  
Channel, 10A, With C-Bus Power  
Supply

L5508RVF

! Discontinued

! Discontinued on: 12 Nov 2025

## Main

|                  |         |
|------------------|---------|
| Range of product | C-Bus   |
| Product brand    | Clipsal |
| Range            | C-Bus   |

## Complementary

|                           |                 |
|---------------------------|-----------------|
| Connector type            | Screw terminals |
| [Us] rated supply voltage | 15...36 V DC    |
| Device composition        | Socket-outlet   |
| Width                     | 215 mm          |
| Height                    | 85 mm           |
| Depth                     | 65 mm           |

## Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 10.000 cm |
| Package 1 Width              | 10.000 cm |
| Package 1 Length             | 23.000 cm |
| Package 1 Weight             | 612.000 g |
| Unit Type of Package 2       | S03       |
| Number of Units in Package 2 | 6         |
| Package 2 Height             | 30.000 cm |
| Package 2 Width              | 30.000 cm |
| Package 2 Length             | 40.000 cm |
| Package 2 Weight             | 4.330 kg  |
| Unit Type of Package 3       | P06       |
| Number of Units in Package 3 | 504       |
| Package 3 Height             | 75.000 cm |
| Package 3 Width              | 40.000 cm |
| Package 3 Length             | 80.000 cm |

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

|                  |            |
|------------------|------------|
| Package 3 Weight | 260.368 kg |
|------------------|------------|

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[How we assess product sustainability >](#)

### Environmental footprint

|                                                        |                |
|--------------------------------------------------------|----------------|
| Total lifecycle Carbon footprint                       | 279 kg CO2 eq. |
| Carbon footprint of the manufacturing phase [A1 to A3] | 139 kg CO2 eq. |
| Carbon footprint of the distribution phase [A4]        | 3 kg CO2 eq.   |
| Carbon footprint of the installation phase [A5]        | 0 kg CO2 eq.   |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 135 kg CO2 eq. |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 2 kg CO2 eq.   |

## Use Better

### Materials and Substances

|                                        |                                                                                        |
|----------------------------------------|----------------------------------------------------------------------------------------|
| Packaging made with recycled cardboard | Yes                                                                                    |
| Packaging without single use plastic   | No                                                                                     |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                              |
| REACH Regulation                       | <a href="#">Reference contains Substances of Very High Concern above the threshold</a> |
| Halogen-free status                    | Halogen free product                                                                   |
| PVC free                               | No                                                                                     |
| Silicone-free                          | No                                                                                     |

## Use Longer

### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

## Use Again

### Repack and remanufacture

|                                 |                                                                                                                                                                                                                 |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in %   | 3                                                                                                                                                                                                               |
| End of life manual availability | <a href="#">End of Life Information</a>                                                                                                                                                                         |
| Take-back                       | No                                                                                                                                                                                                              |
| WEEE Label                      |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
